SOCO Intro

Founded in 1979, SOCO is the leading global machinery manufacturer for the Tube, Pipe and Solid Bar industry. SOCO HQ is located in the Taichung's Technological Precision Machinery Park in Taiwan, the main machinery industrial area in Asia. With several production facilities around the world, and 25 global branches and over 40 active partners in all major continents, SOCO continues its pursuit of excellence and leadership with the continuous support of its customers, partners and families.

In our everyday living, you will find many products produced by SOCO's machines. They may be there for your transportation (cars, motorcycles, bicycles, ships), comfort (home seating, office furniture), care (wheelchairs, hospital beds) and living (fitness equipment, gardening tools, playgrounds).

History & Milestones

SOCO Taiwan Fac.2

SOCO China

SOCO Malaysia (DOSOCO)

- 1979** SOCO Foundation: established in Taichung, Taiwan
Mfg of Circular Sawing Machines begins
- 1986** Mfg of Chamfering Machines begins
- 1989** Mfg of Tube Benders and End Formers begins
- 1990** SOCO Malaysia Established
- 1992** SOCO China Established
- 2002** ISO 9001 certification
- 2004** ERP system goes online
- 2006** Implementation of "5S" system
- 2007** Laser Tube Cutting System is developed
- 2009** Implementation of TPM Management System
- 2011** The Eco-friendly new global Headquarter opening (Taiwan)

Firsts

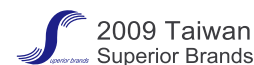

- 1st Laser Tube Cutting System (Taiwan)
- 1st All Electric, Booster Tube Bender (Asia)
- 1st Bender with Dual Blade Cutoff (Asia)
- 1st Tube and Bar Machining Center (Asia)
- 1st DGT-Direct Gear Transmission Bending (Global)
- 1st Circular Sawing Machine (Taiwan)
- 1st TCT Tube Cutting Line (Taiwan)
- 1st Booster Bender with Wall Thickness Control (Taiwan)
- 1st Tube Chamfering Machine (Taiwan)

Awards

- 2008 ~ 2013 Taiwan Excellence Award
- 2009 & 2011 TIMTOS Award of Eminence
- 2009 STOM Medals of Kielce Trade Fairs (Poland)
- 2009 Taiwan Superior Brands Award
- 2009 National Award of Outstanding SMEs
- 2010 Taiwan Excellence Silver Award
- 2010 Taiwan SMEs Innovation Award
- 2011 Taiwan Excellence Silver Award
- 2012 National Industrial Innovation Award

INNOVATION CENTER

At SOCO, we offer an innovative and solution based R&D team, with over 80 working patents around the globe. From the latest 3D designing software to stress relief and simulation tools, we choose to use cutting edge technology to continuously bring customer-driven solutions.

Automotive

A Car Made By SOCO

It takes over 1500 tools to build a new car. Every single tubular component may be processed by a SOCO machine, ranging from air conditioning and brake lines to car seats and exhaust systems. Our high performance tube benders, laser cutting, sawing and end finishing machines make SOCO your ideal partner in your production of automotive parts.

- 1
Impact Beams Frame
SA-78NCE (Sawing)
BDB-70 (Deburring)
- 2
Car Seat & Head Rest
SB-20x4A (Bending)
ATM-19 (Bending)
- 3
Frame
SLT-152 (Laser)
- 4
Air Conditioning System
SB-20x4A (Bending)
ATM-19 (Bending)
TF-80 (Forming)
- 5
Handlebar & Seat Frame (Motorbike)
SB-20x4A (Bending)
SB-30x4A (Bending)
- 6
Exhaust Pipe (Motorbike)
SB-51x4A (Bending)
SB-63x4A (Bending)
SA-78CE (Sawing)
- 7
Manifold
SB-80x12A-MR-PT+2C (Bending)
SLT-152 (Laser)
SA-78NCE (Sawing)
TF-80 (Forming)
- 8
Fuel Line
SB-39x4A (Bending)
- 9
Brake Line
SB-Oil Tube Master (Bending)
- 10
Bumper
SB-80x11A-MRV (Bending)
- 11
Bushing
SA-65/2 (Cutting + Chamfering)
SA-80CNC (Sawing)
FM-76V (Chamfering + Measuring)

Furniture

SOCO Is Lifestyle

Furniture goes beyond simple necessities: it is a product of careful design, varying from the choosing colors to ergonomics. In short, it is "Lifestyle".

With various dedicated solutions for the home and office metal furniture industry, SOCO takes part in bringing "Lifestyle" to you.

1

Chair Frame

SB-39x4A (Bending + Punching)
SLT-152 (Laser)
SA-78NCE (Sawing)
DEF-FA/52 (Chamfering)

2

Towel Rack

SB-39x4A-3SV (Bending)
SLT-152 (Laser)
SA-78NCE (Sawing)

3

Table Frame

SLT-152 (Laser)

4

Show Case Frame

SLT-152 (Laser)

5

Furniture Frame

SLT-152 (Laser Cutting)

6

Handle of Cabinet

FA-111NC (Sawing)
SA-115NC (Sawing)

7

Chair Frame

SB-39x4A-3SV (Bending)
SA-78NCE (Sawing)
BDB-70 (Deburring)

8

Chair Frame

SB-39x4A (Bending)
DEF-FA/52 (Chamfering)
TF-80 (Forming)

Everyday Life

SOCO All Around Your Living

You will never cease to be surprised at how many things around you are made of parts and components produced by SOCO solutions. From playgrounds to airports, garage tools to aircrafts parts and from electric cars to windmills, SOCO is proud to be a part in bringing a better and brighter everyday living.
